Trust Development Authority - Monthly Self-Certification Requirements

September 2013

Board statements

For each statement, the Board is asked to confirm that:

	For Clinical Quality, that	Response	Comment	Timetable to achieve Compliance	Executive Lead
1	The Board is satisfied that, to the best of its knowledge and using its own processes and having had regard to the TDA's oversight regime (supported by Care Quality Commission information, its own information on serious incidents, patterns of complaints, and including any further metrics it chooses to adopt), the trust has, and will keep in place, effective arrangements for the purpose of monitoring and continually improving the quality of healthcare provided to its patients.	YES			JD
2	The board is satisfied that plans in place are sufficient to ensure ongoing compliance with the Care Quality Commission's registration requirements.	YES			JD
3.	The board is satisfied that processes and procedures are in place to ensure all medical practitioners providing care on behalf of the trust have met the relevant registration and revalidation requirements.	YES			SH
	For Finance, that				
4.	The board is satisfied that the trust shall at all times remain a going concern, as defined by relevant accounting standards in force from time to time.	YES			BL

	For Governance, that				
5	The board will ensure that the trust remains at all times compliant with the NTDA accountability framework and shows regard to the NHS Constitution at all times.	YES			UW/BC
6	All current key risks to compliance with the NTDA's Accountability Framework have been identified (raised either internally or by external audit and assessment bodies) and addressed – or there are appropriate action plans in place to address the issues – in a timely manner	YES			UW/BC/JD
7	The board has considered all likely future risks to compliance with the NTDA Accountability Framework and has reviewed appropriate evidence regarding the level of severity, likelihood of occurrence and the plans for mitigation of these risks.	YES			UW/BC/JD
8	The necessary planning, performance management and corporate and clinical risk management processes and mitigation plans are in place to deliver the annual operating plan, including that all audit committee recommendations accepted by the board are implemented satisfactorily.	YES			BL/CW/JD
9	An Annual Governance Statement is in place, and the trust is compliant with the risk management and assurance framework requirements that support the Statement pursuant to the most up to date guidance from HM Treasury (www.hm-treasury.gov.uk).	YES			UW

10	<p>The board is satisfied that plans in place are sufficient to ensure ongoing compliance with all existing targets as set out in the NTDA oversight model; and a commitment to comply with all commissioned targets going forward.</p>	<p>NO</p>	<p>In line with the Trust Recovery Plan submitted to the TDA on 19 September 2013:</p> <ul style="list-style-type: none"> • The 4hr waiting times target in A&E. - The Trust continues to work with local partners and ECIST to implement action plans to restore performance to above 95%. Current trajectory points to the achievement for the month of October • The 62 day cancer waiting times target – again the Trust is putting in place actions to restore performance against this target by the end of November. • 18 week Referral to Treatment target – whilst the Trust achieved the 18 week RTT target in June there is significant risk to this target going forward because of significant backlogs in a number of key specialties. Current trajectory points to the Trust will achieve the aggregate target in the reported month of November and onwards but there will be Urology specialty breaches in November and December <p>Overall, the Trust Board has agreed two target dates:</p> <ul style="list-style-type: none"> • 31 October for ED • 30 November for RTT and Cancer 	<p>31/10/2013</p> <p>30/11/2013</p> <p>30/11/2013</p>	<p>CW</p>
----	---	------------------	---	--	------------------

11	The trust has achieved a minimum of Level 2 performance against the requirements of the Information Governance Toolkit.	NO	The Trust continues to work on its essential skills programme to achieve and maintain the target of 95% of staff trained on information governance. Progress is being made towards delivery of 95% (the only element on which the Trust is not compliant with Level 2 of the Toolkit). All staff who had been identified as non compliant have been written to.	31/10/2013	PM
12	The board will ensure that the trust will at all times operate effectively. This includes maintaining its register of interests, ensuring that there are no material conflicts of interest in the board of directors; and that all board positions are filled, or plans are in place to fill any vacancies.	YES			BC
13	The board is satisfied that all executive and Non-Executive directors have the appropriate qualifications, experience and skills to discharge their functions effectively, including setting strategy, monitoring and managing performance and risks, and ensuring management capacity and capability.	YES			UW
14	The board is satisfied that: the management team has the capacity, capability and experience necessary to deliver the annual operating plan; and the management structure in place is adequate to deliver the annual operating plan.	YES			UW
