

Subject:	Cabinet Office Review of Unscheduled Care, Portsmouth and South East Hampshire
Prepared by: Sponsored by: Presented by:	Attached information prepared by the whole-system leads (Acute Trust, social services, community providers and CCGs) Cherry West, Chief Operating Officer Cherry West, Chief Operating Officer
Purpose of paper	To update the Board on preparation for the unscheduled care, deep dive which took place on 13 November 2013
Key points for Trust Board members <i>Briefly summarise in bullet point format the main points and key issues that the Trust Board members should focus on including conclusions and proposals</i>	The attached briefing was prepared by system leads in preparation for a Cabinet Office Review which took place on 13 November 2013. The 'deep-dive' took place across six health systems across the country and ranged from some health systems who are perceived to be coping with unscheduled care, and others that have been struggling. Senior leaders from health and social care took part in this event which was hosted at Portsmouth Hospital. The reviewers advised that they would be briefing Treasury Ministers and the Prime Minister A formal report will not be provided
Options and decisions required <i>Clearly identify options that are to be considered and any decisions required</i>	Board are asked to note information
Next steps / future actions: <i>Clearly identify what will follow the Trust Board's discussion</i>	The Trust continues to work on internal preparedness for winter demand together with the health system Integrated and Urgent Care Delivery Board
Consideration of legal issues (including Equality Impact Assessment)?	Considered and none apparent
Consideration of Public and Patient Involvement and Communications Implications?	Not applicable
