

Overview of TOT2020

Who	Outcome
Society and individuals	Attitudes to organ donation will change and people will be proud to donate, when and if they can.
NHS hospitals and staff (donation)	Excellent care in support of organ donation will be routinely available and every effort made to ensure that each donor can give as many organs as possible.
NHS hospitals and staff (transplantation)	More organs will be usable and surgeons will be better supported to transplant organs safely into the most appropriate recipient.
NHSBT and Commissioners	Better support systems and processes will be in place to enable more donations and transplant operations to happen.

‘Should any of these groups fail to respond, the aims of this strategy will not be fully achieved.’
