Dear

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act 2000, which was received by our Freedom of Information team on 26/05/2020.

Please could you send me all available information produced by Portsmouth Hospitals NHS Trust on PPE stocks between 5 March and 5 May 2020, including:

- ***The stock levels of surgical gowns, pairs of surgical gloves, plastic aprons, fluid repellent surgical masks (e.g. IIR masks), FFP3 respirators, FFP3 respirators, eye protection (glasses) and eye protection (visors)***
- ***Usage of those stocks during this period (e.g. daily or weekly depletion of surgical gowns)***
- ***Any estimates at the time of how long those stocks were expected to last***

If possible, could you please split this data out by healthcare setting (i.e. detail PPE stocks by all hospitals in your trust).

Unfortunately the Trust's data only goes back to the beginning of April 2020. Additionally we are unable to provide data in relation to the re stock levels as we do not record this level of detail by each day, due to this we are unable to provide an estimate time of how long stock are expected to last. Please see attachment below -
