Dear

**Freedom of Information request**

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 06/04/2021.

**I am looking for some non-specific data with respect to how many patients are seen in the Radiology department at QAH from Portsea Island postcodes. The postcode range would be PO1, PO2, PO3, PO4 and PO5. I am particularly interested in patients that are seen for conventional imaging (X-rays/Radiographs) in addition to Computed Tomography and Magnetic Resonance Imaging.**

Please see table below. This table shows all activity in 2019/20 and 2020/21 for CT, MRI and X-rays with a post code group of PO1, PO2, PO3, PO4, PO5. The data presented is for the last two financial years.
