Dear

### **Freedom of Information request**

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 07/05/2021.

- 1. We would like to know details of contracts awarded by the Trust; the vendor involved, the category e.g. equipment maintenance, date of award, value and contract length. We would like this information for the past 3 years.**

Please see spreadsheet attached.

Copy of FOI-PHU  
Contracts from Apr :

Please note: There are 101 contracts with no contract value on the database. The Trust does not hold this information in an easily retrievable/recorded format, we would need to look into every single folder and cross examine the contents to find out what that spend was which the Trust estimates would exceed 18 hours. This would exceed the appropriate limit for dealing with a Freedom of Information Request, in terms of costs and therefore Section 12(1) of the Freedom of Information Act 2000 applies.

Please accept this letter as completion of your request. Please note that copies of this request will be held on file for three years before being confidentially destroyed.

If you are dissatisfied with the outcome of your request, please contact our Head of Information Governance on [Information.Governance@porthosp.nhs.uk](mailto:Information.Governance@porthosp.nhs.uk) or write to the above address and we will conduct an internal review. Upon review, if you are still dissatisfied, you may appeal our decision by contacting the Information Commissioner's Office; for more information please visit the [ICO's website](#).

Please be aware, if we do not receive an appeal within 30 days of you receiving this letter, we will assume that you are satisfied with our response. If you have any further queries, please do not hesitate to contact us.

Yours sincerely

Freedom of Information Team
