2021	April	3
2021	May	9
2021	June	15
2021	July	122
2021	August	133
2021	September	94

Includes all admissions coded with primary diagnosis ICD10 codes:

U07.1 2019-NCOV ACUTE RESPIRATORY DISEASE

U07.2 SUSPECTED COVID-19

Note - diagnosis codes are added to the system after discharge, so there may be patients not yet coded.

Patients may have been admitted multiple times and would be counted per admission.
