Freedom of Information request

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 15/11/2021. Please see responses to your requests below.

1. How many patients that were admitted to the hospital had received at least one covid-19 vaccine, for each of the months below, for this year (2021).

Patient's vaccination status is not held by the Trust, it is held centrally via the National Immunisation Management Service which lists details of all medical information including covid vaccinations, therefore, to extract this information, we would have to search through a significant amount of patient records. It is estimated that to attempt to retrieve all the information you require would take a considerable amount of retrieval time, which would exceed 18 hours. This would exceed the appropriate limit for dealing with a Freedom of Information Request, in terms of costs and therefore Section 12(1) of the Freedom of Information Act 2000 applies.

2. How many patients that were admitted to the hospital had NOT vaccinated against covid-19, for each of the months below, for this year (2021).

Please see answer in question 1.

3. How many patients that were admitted to the hospital that had received at least one covid-19 vaccine died of any cause, for each of the months below, for this year (2021).

Please see answer in question 1.

4. How many patients that were admitted to the hospital that were NOT vaccinated against covid-19 died of any cause, for each of the months below, for this year (2021).

Please see answer in question 1.

5. How many patients that were admitted to the hospital that had received at least one covid-19 vaccine died of covid-19, for each of the months below, for this year (2021).
