### **Freedom of Information request**

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 17/11/2021. Please see responses to your requests below.

### **Please share the risk assessment regarding upcoming loss of unvaccinated staff.**

**What migrating factors are in place and, in view of that both vaccinated and unvaccinated staff can acquire and transmit covid, what representations have been made to government on this unscientific, harmful, and unnecessary measure?**

The Trust is currently awaiting national guidance regarding this matter and therefore at present we are unable to provide you with the information you have requested.

Please accept this letter as completion of your request. Please note that copies of this request will be held on file for three years before being confidentially destroyed.

If you are dissatisfied with the outcome of your request, please contact our Head of Information Governance on [Information.Governance@porthosp.nhs.uk](mailto:Information.Governance@porthosp.nhs.uk) or write to the above address and we will conduct an internal review. Upon review, if you are still dissatisfied, you may appeal our decision by contacting the Information Commissioner's Office; for more information, please visit the [ICO's website](#).

Please be aware, if we do not receive an appeal within 30 days of you receiving this letter, we will assume that you are satisfied with our response. If you have any further queries, please do not hesitate to contact us.

Yours sincerely
