Freedom of Information request

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 30/11/2021. Please see responses to your requests below.

As I understand every trust and every ICS is expected to have a Green Plan approved by that organisation's board or governing body that should be finalised and submitted to ICSs by 14 January 2022.

In Portsmouth Hospitals University NHS Trust's response on the 17 August, it said that the trust did not have a green plan - would you be able to clarify whether it is planning to produce a plan to meet this deadline or not?

The Trust is currently working to produce a green plan in accordance with government guidance but only a draft will be submitted by the 14th January 2022 deadline.

Please accept this letter as completion of your request. Please note that copies of this request will be held on file for three years before being confidentially destroyed.

If you are dissatisfied with the outcome of your request, please contact our Head of Information Governance on Information.Governance@porthosp.nhs.uk or write to the above address and we will conduct an internal review. Upon review, if you are still dissatisfied, you may appeal our decision by contacting the Information Commissioner's Office; for more information, please visit the [ICO's website](#).

Please be aware, if we do not receive an appeal within 30 days of you receiving this letter, we will assume that you are satisfied with our response. If you have any further queries, please do not hesitate to contact us.

Yours sincerely
