Dear

RE: Freedom of Information request

Thank you for your request for information under the Freedom of Information Act 2000, which was received by the Trust on 10/07/2023. Please see responses to your requests below.

I am doing a research project investigating call-off contracts in the public sector. I have identified a potential call-off contract awarded by Portsmouth Hospitals NHS Trust, but I can't find details of the framework agreement it was awarded from.

Please see the attachment.

Please accept this letter as completion of your request. Please note that copies of this request will be held on file for three years before being confidentially destroyed.

If you are dissatisfied with the outcome of your request, please contact our Head of Information Governance on Information.Governance@porthosp.nhs.uk or write to the above address and we will conduct an internal review. Upon review, if you are still dissatisfied, you may appeal our decision by contacting the Information Commissioner's Office; for more information, please visit the [ICO's website](#).

Please be aware, if we do not receive an appeal within 30 days of you receiving this letter, we will assume that you are satisfied with our response. If you have any further queries, please do not hesitate to contact us.

Yours sincerely

Freedom of Information Team
