

FOI Request 16-17 443

In each of the last three financial years (13/14), (14/15) and (15/16) what is the largest bill for free NHS care that you have written off in that you now see no realistic prospect of ever being repaid?

For each of these three bills please state (i) the amount that has been written off and (ii) the type of treatment (e.g. orthopaedics, etc) and (iii) the nationality of the patient.

NOTE: This question relates to the financial year that the bill was written off, NOT when the patient was treated.
