

## Patient Wi-Fi – User Guide

The steps below will detail how you connect to the O2 network to gain access to the internet. The examples below use an iPhone, however, the steps will be similar for other devices.

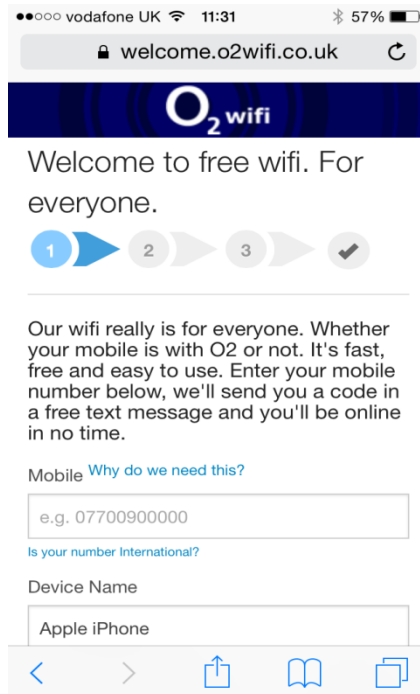

1. Ensure your Wi-Fi is turned on

2. Locate the wireless network called 'O2 Wi-Fi' from the menu and connect to it

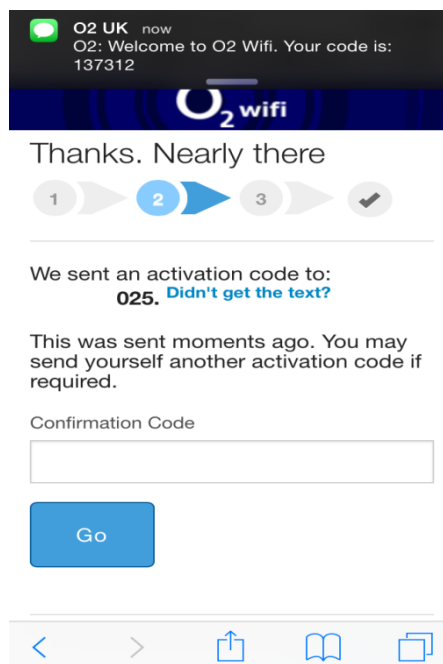

3. You will be redirected to the O2 Wi-Fi self registration page. Please follow the steps to complete.

4. On completion of the self registration, O2 will send you an activation code via text, almost immediately. Please enter the activation code into the Confirmation Code Box as shown below.

**Please note the code shown in the picture below is an example. Do not try to enter this code.**

5. You have now completed your registration and may begin to connect to the internet using O2 Wi-Fi at Portsmouth Hospitals Trust.

**O2 provide this service to the Trust. For all connectivity queries and questions please contact the O2 support team on 0844 463 2626.**

**Our staff will be unable to provide you with technical support.**
