<b>DPIA Reference</b>	DPIA-Renal-
<b>DPIA Title</b>	Myrenalcare.com
<b>Summary of Proposal</b>	<p>To replace paper records with 'smart' monitoring to improve clinical outcomes and quality of life for patients, whilst lowering costs. Patients on home therapies are asked to make a record of each treatment. They currently complete paper records in the form of a booklet. We have designed a Web App that replaces the paper record.</p> <p>Increase efficiency of acute and chronic transplant management  Empower patients  Improve efficiency.</p>
<b>Date of Approval</b>	March 2017
